PROFILE

Technical professional with 18+ years of experience in troubleshooting, incident management, and operational excellence, now specialized in Cloud and DevOps environments.

Hands-on experience building cloud infrastructure using Terraform, Kubernetes, and CI/CD pipelines. Strong background in root cause analysis, system reliability, and working under pressure.

Focused on improving availability, automation, and operational efficiency, with strong ownership of systems and incidents.

TECHNICAL SKILLS

Cloud: AWS (EC2, S3, RDS, Lambda, VPC, IAM) | GCP

Infrastructure as Code: Terraform

Containers & Orchestration: Docker | Kubernetes | Helm

CI/CD & DevOps: GitHub Actions | CircleCI | Jenkins | ArgoCD | SonarCloud | Snyk

Systems: Linux (Ubuntu) | Bash | Python (Scripting)

Networking: TCP/IP | Basic networking concepts

Observability: Prometheus | Grafana

Other: GitOps | Infrastructure automation

PRACTICAL EXPERIENCE

Junior DevOps / Cloud Engineer — Hands-on Projects

Sep 2025 – Present

KeepCoding Bootcamp | Online

- ▶ Designed and implemented CI/CD pipelines (GitHub Actions, CircleCI) with automated build, test, and deployment workflows.
- ▶ Deployed containerized apps to Kubernetes using Helm and GitOps (ArgoCD) for reliable, repeatable releases.
- ▶ Provisioned and managed cloud infrastructure on AWS and GCP with Terraform.
- ▶ Worked with core AWS services (EC2, S3, IAM, VPC, RDS, Lambda) and GCP equivalents.
- ▶ Applied monitoring and observability using Prometheus and Grafana.

GitHub: github.com/crisTTori (Docker, Kubernetes, AWS/Terraform, CI/CD, SRE projects)

WORK EXPERIENCE

Technical Service Specialist — Self-Employed

2007 – 2025

BSH Home Appliances (Bosch, Siemens, Gaggenau) | Alicante, Spain

- ▶ Managed end-to-end incident resolution in high-pressure environments, ensuring service continuity and SLA compliance.
- ▶ Performed root cause analysis (RCA) on complex technical failures, improving long-term reliability.
- ▶ Worked autonomously managing operations, prioritization, and customer-facing technical issues.
- ▶ Developed strong problem-solving, decision-making, and troubleshooting skills applicable to IT systems and infrastructure.

EDUCATION

DevOps & Cloud Engineering Bootcamp · KeepCoding (Online)

Sep 2025 – May 2026

Vocational Degree in Consumer Electronics · IES La Torreta, Elche

2004 – 2006

CERTIFICATIONS

Microsoft Azure AI Fundamentals (AZ-900)

2025

Foundations of Programming & Python · KeepCoding

2025

LANGUAGES

Spanish: Native | English: Professional Working Proficiency (B2)
